**Custom graphics** Call for Graphics estimate! 760-599-1015

- We can create artwork for you .
- You may supply computer art files via Email or send hard art. (Scanning and prep charges will apply). Call for Information

**We make three main type of graphics:**

500V  **Cut Vinyl.** Cut from adhesive backed plastic, this type is best for bold designs & letters. Each color adds to cost. Durable, no clear coat required. Great for adding names or logos to your bikes or vehicles. Can be clear coated, but too thick to get completely smooth.

Apply  Customer applies. \$75 & up ☎ \$ \_\_\_\_\_

500P  **Printed.** Unlimited possibilities of detail and colors. Any line size, photographic images, even metallic & foil colors! Requires a clearcoat for protection. Very thin, looks great! From \$95 ☎ \$ \_\_\_\_\_

580  **Painted:** A "negative" vinyl cut is used as a paint mask. Any paint color can be used, even several colors can be airbrushed. From \$100 ☎ \$ \_\_\_\_\_

**Metal Polishing**

- 1805  Polish, aluminum frame \$350 & up  
*See page 2, Cat. 5 powdercoat to add clearcoat over polished metal*
- 1807  Polish, Titanium frame. \$ 450 & up

Repainting or touch up will be required for additional charge.  
All Coupling accessories available to order, please inquire:  
travel cases, cable splitters, tools, security net, packing aids etc.

We recycle aluminum, paper, glass, Plastic, solvent, paint dust & bicycles. We reuse packaging whenever possible. We pay mileage to CyclArtists who ride to work. We act to reduce our environmental impact and

### Please read and sign:

All prices are estimates. We reserve the right to exercise judgment to remedy hidden cosmetic flaws. If necessary, estimate will be increased up to 10% of the total to cover such work without notice. We will attempt to contact customer to discuss more costly increases. Changes to this order must be acknowledged in writing and could cause delay. CyclArt, Inc. guarantees all work to be free from defect in material or workmanship for 2 years and will refinish or repair any work determined to be defective by us. *All consequential damages excluded.* Prices subject to change without notice. A small decal identifying our work is included on all work refinishes, our "artist's signature". I authorize CyclArt to proceed with all work deemed necessary by their interpretation of this work order.

*Paint by CyclArt  
Cat. 1 Finish  
A. Cruz ~ Painter  
Vista, CA*

This is what our "signature" decal looks like. It is usually placed on the left chain stay near the bottom bracket. It is your assurance of quality. On restorations, it prevents "red herrings" & preserves collectable bike integrity.
